

Pillolapp.it vs Pillolapp.com

Summary comparison — supporting attachment

1. Domain registration dates

	pillolapp.it	pillolapp.com
Registered on	March 4, 2026	March 23, 2026
Registrar	Aruba S.p.A.	Cloudflare, Inc.

pillolapp.com was registered 19 days after pillolapp.it.

2. Product type

pillolapp.it is a software-only medication/supplement reminder app: no account required, no data collection, free download on Google Play.

pillolapp.com describes a companion app paired with a physical smart pillbox device intended for future production, activated via a QR code printed on the box. As of the date of observation, the site shows no purchase flow, pricing, or shipping information for this device — the only call to action present is to download an app from the App Store / Google Play.

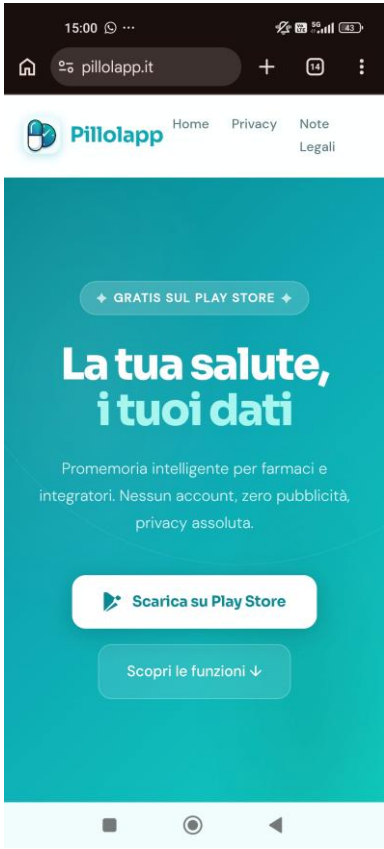

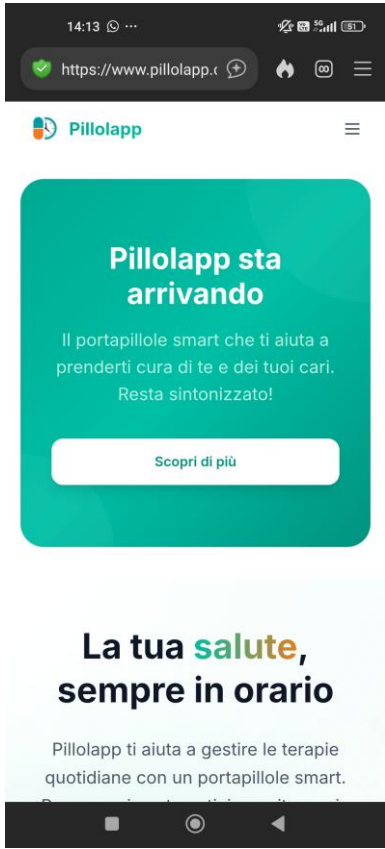

3. Icon comparison

pillolapp.it	pillolapp.com
	

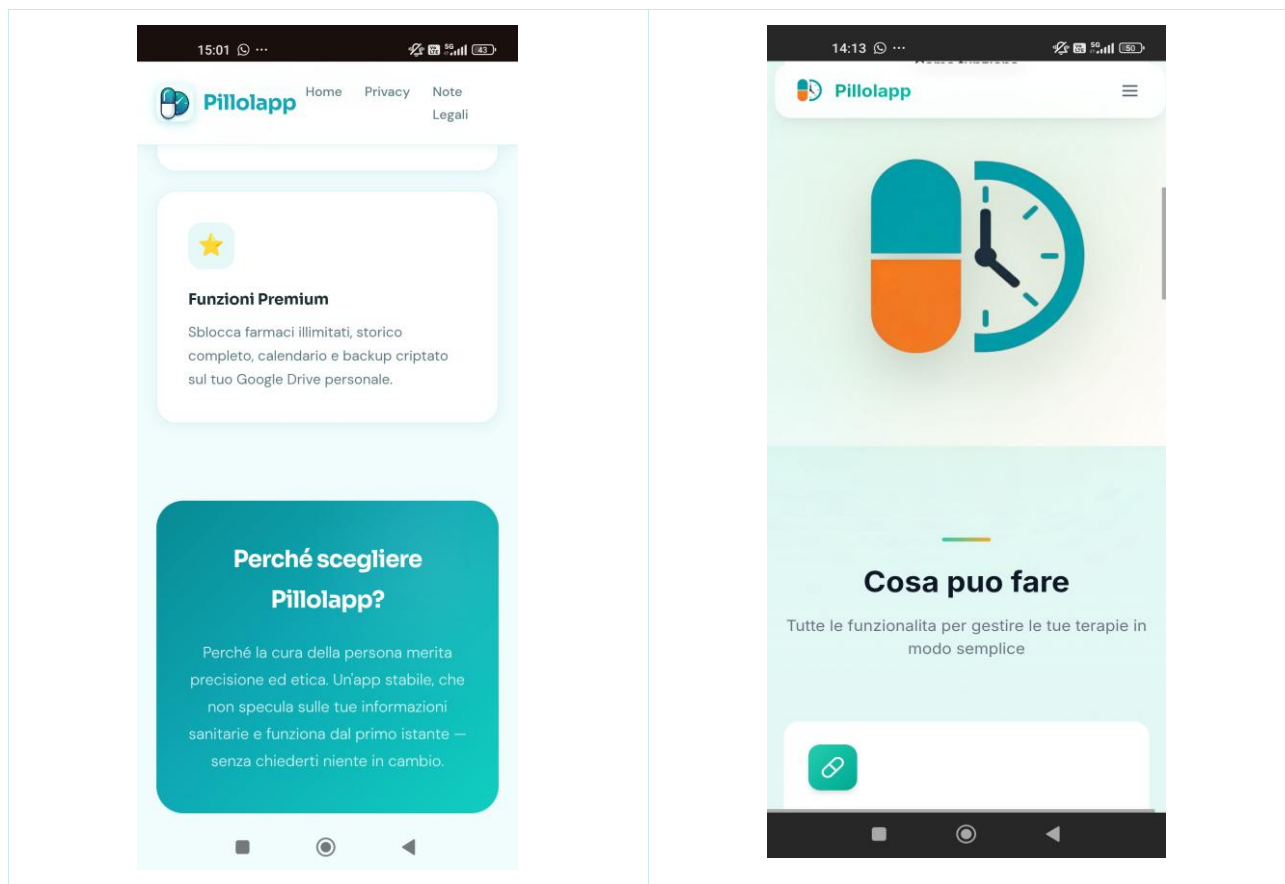

Same capsule-and-clock composition, same proportions and layout — only the color palette differs.

4. Website content and structure

Full-page screenshots of both sites, in the order the sections appear when scrolling.

pillolapp.it	pillolapp.com
 The screenshot shows the Italian version of the Pillolapp website. The header includes the Pillolapp logo and navigation links for Home, Privacy, Note, and Legali. The main content area has a teal background with the headline "La tua salute, i tuoi dati" and a sub-headline "Promemoria intelligente per farmaci e integratori. Nessun account, zero pubblicità, privacy assoluta." Below this is a button "Scarica su Play Store" and a link "Scopri le funzioni".	 The screenshot shows the English version of the Pillolapp website. The header includes the Pillolapp logo and a hamburger menu icon. The main content area has a teal background with the headline "Pillolapp sta arrivando" and a sub-headline "Il portapillole smart che ti aiuta a prenderti cura di te e dei tuoi cari. Resta sintonizzato!" Below this is a button "Scopri di più". The bottom section has a white background with the headline "La tua salute, sempre in orario" and a sub-headline "Pillolapp ti aiuta a gestire le terapie quotidiane con un portapillole smart."

5. Trademark status

The name “Pillolapp” is the subject of a trademark application filed with the competent trademark office. The application has passed formal examination and was published in the Official Trademarks Bulletin on July 21, 2026.
